

Philosophy

The Word of God permeates all instruction and daily activities at Word of Life Evangelical Lutheran School. It is our aim to instill into the hearts and minds of the children the true Christian faith which will allow them to interpret and evaluate every aspect of their life from the Biblical viewpoint. The primary purpose for our curriculum is to lead from a knowledge of his sins to grace through faith in Jesus Christ and then to a sanctified life under the direction of the Holy Spirit. Word of Life Evangelical Lutheran School provides appropriate and challenging instruction in all subject areas. Students will begin to develop skills which they will use for a future occupation in which they will glorify God.
