School Closings

We were thankful not to feel the full effects of the latest "blizzard". If the weather warrants closing school, please remember the following:

- If Milwaukee Public Schools close due to weather, we will close.
- If Wisconsin Lutheran High School is closed due to weather, we will close.
- If we close, we will announce the closing
 - On the TV websites of WTMJ4, FOX 6, WISN12 and CBS58 and the radio networks of iHeart and WTMJ radio
 - Through One Call Now
 - On Remind
- If you are not certain, you may call the school office at 414-281-7808 or Mr. Krueger at 414-813-0820.

Be safe, but it is better for students to arrive late to school during inclement weather than to miss school completely.
