LOOKING AHEAD

Athletics Website We do have an athletics web page up and running where all athletic information will be shared. <https://sites.google.com/view/stjohnsathletics/home>

Fall sports for the 19/20 school year: Boys soccer (grades 5-8), Girls Volleyball (grades 5-8), and Cross Country for Boys and Girls (grades 3-8). If your student is interested in participating in one of these, there will be a mandatory parent meeting to attend in August where you will meet the coach(es), get the schedule, and receive information about expectations and requirements for participating.

Parents -If you can make the time and have the desire to mentor our students, coaching is a great opportunity to make a difference in a child's life! Also, if you have the desire but are limited on knowledge, we would be happy to connect you with training and resources to ensure our athletes are provided with up to date, fundamental skills and strategies that will prepare them with the ability and confidence to pursue sports competitively or recreationally as they choose!
