CW 593:2-3 **Jesus, Savior, Wash Away**

Teachers are urged to use this hymn as one of the closing prayers in their classroom at the end of the day.

The hymns listed in **bold** are the Core Hymns and should be taught every year. Test your students to see which verses they need to work on. You can assign different verses to individual students based on their knowledge and taking into account how many years they have attended WOL.

The **other hymns** are from our hymn curriculum and will be used in chapel this year. When deciding which hymns to teach in addition to the Core Hymns, please choose from this list first, taking into account the date it will be used in chapel. Pre-teaching these hymns in the week(s) before the chapel service will hopefully encourage the students to confidently participate in worship.
