Advent Devotions

Advent is a good time for personal or family devotions. There are some great materials you can use. One is a set of devotions titled *The Jesse Tree*. Copies are available from the office or your child's teacher. These devotions are intended for teens through adults. A supplementary set of children's stories are found at www.mlc-wels.edu/publications/seasonal-devotions
Prepare for the Lord's coming and be amazed at his love. Build your faith.

Advent Services

Prepare for Christmas with Advent services at Centennial. Services are each week at 6:30 PM on the 2nd, 9th and 16th. Devotional services of about 30 minutes will help us to prepare our hearts for our coming Savior.

Sunday School at Home

COVID has changed many of our routines and practices. Materials for at home Sunday School are available at <https://online.nph.net/ss-at-home> Materials also come with video lessons for those who would prefer having someone else teach the lesson.

Christmas Break

Christmas break begins with the last day of in-person instruction on December 17th. Information about classroom Christmas celebrations will go home in Classtag.

There will be some assignments on Friday, December 18th.

School will resume on Monday, January 4th.

Virtual Learning Groups

A and B instructional “bubbles” were created to allow for safe, in-person instruction. The city has approved our plan and it has been safe. Many of us have been affected by COVID, but masks, temperature checks, distancing, cleaning and other safety features have kept us from outbreaks. Since the virus is still surging, we do not envision major changes to the instruction we will provide after the new year. For this reason, we will not be changing instructional groupings in the new year.

Questions? Call 414-281-7808 or 414-813-0820 if you have questions.

Fire Drills and Safety Drills

We continue to have fire drills. The December fire drill will simulate a fire in the main hallway blocking the entrance doors. Students will be prepared to deal with this scenario.

We will also have a safety drill where classrooms will practice lock down procedures. The teachers will be preparing the children for the drill and what they should do in the event of a lock-down.
